2. Woody says he found himself "in a pickle." What did he mean by that phrase?

3. Woody realized he had been spending too much time playing his video games when there was a great big world outside. This

Saturday, write down how many hours you spend playing video games, using the computer or watching TV. Were you as surprised as Woody by the results?

4. Were you surprised that Chloe wanted Woody to use the money for harmonica lessons? How would Woody's harmonica lessons be a favor for Chloe? Woody realized he was not a harmonica virtuoso. What is a virtuoso? Have you learned about any musical virtuosos in music class? If so, whom?

5. Search the Classified section of your newspaper to find a person offering music lessons. What lessons are being offered? Woody recounts all the lessons he has learned while camping. Underline the lessons Woody has learned.

How could Woody use his harmonica talent? Email Woody at woody@thewoodybooks.com with your ideas. Also, make sure you tell him what you enjoyed most about *Dog Gone Wild*.
